# RECRUITMENT PROCESS

Send your documents to the designated person.

**1 Wait for its approval**  
Your application will be reviewed by the Airline. If it is approved, we will send you a congratulation email.

**2 Initial screening in China**  
You will come to China for the medical check, ATP test and company sim check (it will not be required if the candidates passed the roadshow sim check). ATP test is quite difficult, so you should study the material we provide before coming to the test. The company sim check will last for 2 hours.

**3 Come to China for CAAC sim check**  
Once you have passed the ATP test, medical check and company sim check, you will come to China again for CAAC sim check. It will be 2 hours for CAAC sim check.

**4 Background documents check**  
After you passed CAAC sim check, you need to provide background documents in original: non-criminal record, security letter. They will be submitted to CAAC and it takes about one month to process.

**5 Report to work**  
Once your background documents got approved by CAAC, we will inform you when to report to work in Juneyao Airlines. Then you can get ready for starting a new journey of your career.
