3

RECRUITMENT PROCESS

Send your documents to the designated person.

1 Application Period.

- Application form
- ATP License
- First class medical certificate
- Passport copy
- Last proficiency check

2 Wait for its approval.

Your application will be reviewed by the Airline. If it is approved, we will send you a congratulation email.

3 Come to China for the ATP test, medical check and company sim check.

You will come to China for the medical check, ATP test and company sim check. ATP test is quite difficult, so you should study the material we provide before coming to the test. The company sim check will last for 2 hours.

4 Come to China for the CAAC sim check.

Once you have passed the ATP test, medical check and company sim check, you will come to China again for the CAAC sim check. It will be 2 hours training before the CAAC sim check, another 4 hours for CAAC sim check.

5 Report to work.

After you passed CAAC sim check, the final step is to submit your background documents. Once you received the background result, you are ready to report to work in Loong Air and start flying soon.

Life in Hangzhou_

HANGZHOU -

The city of Hangzhou lies in the southeast of China and faces the East Sea. It is famous for its beautiful West Lake with a long history. Whenever you come to this modern city you will see many parks and some places of interest around the West Lake. During the holidays or festivals or at the weekends, people like boating on the water or walking on the paths of the woods or sitting on the ground to have a picnic. Since the politics of the reforming and opening were carried out by the government of Hangzhou, plenty of tall buildings have been set up and great changes have taken place in this city.

TRAFFIC - HANGZHOU

Hangzhou now has three metro lines in operation: Metro Lines 1,2 and 4

CLIMATE - HANGZHOU

Hangzhou has a subtropical monsoon climate and experience four distinct seasons.
